

JOIN IN MINUTES

See how easy it can be to become a BECU member. Follow these steps using a computer, tablet or smartphone by visiting **becu.org** from your web browser. You'll need a valid photo, government ID or U.S. passport to set up your account.

- 1 **Sign up:** Navigate to **becu.org** on your device and click **Join BECU** in the top right-hand corner.
- 2 **Apply online:** Select which type of account you want to open.
- 3 To add a promo code, click the plus button to the left of **Add Promo Code** and enter
Then click **Get Started** after the promo code is applied.
- 4 **Personal information:** Enter your name, address and other personal information requested. Additional eligibility questions may also appear.

- 5 **Identity verification:** Enter your ID type, ID number, issue date and the expiration date. Additional verification steps may be required.
- 6 **Account setup:** Your membership application will be reviewed. If approved, choose your debit card design, and read through terms and conditions.
- 7 **Opening deposit:** Read and agree to disclosures that are presented, receive your account number and routing number, and review your access limits. You have the option to enroll in Online Banking.

You're done!
